

## Unknown Underground Vienna

Hidden from view of locals and visitors alike, Vienna boasts underground passageways, historic cellars and burial crypts. Although many of them were badly damaged or destroyed in World War II or in the course of post-war developments and the construction of Metro lines, Vienna still offers spectacular surprises underneath its surface. The tour includes a visit of the authentically preserved Baroque catacombs' of St. Michael's one of the oldest churches in Vienna's historic cellars and Roman excavations.

### Meeting Point:

1., Michaelerplatz 5, in front of St. Michael's Church

### Attention:

- Additional entrance fees
- Max. 20 people per group
- Photography or filming is not allowed in the crypt
